

SAN FELICE

Il Grigio

Chianti Classico Gran Selezione DOCG 2015

Il Grigio Gran Selezione is made from grapes from San Felice's top vineyards. This 80% Sangiovese is enhanced by ancient indigenous Tuscan varieties including Abrusco, Pugnello, Malvasia Nera, Ciliegolo, and Mazzese, all of which contribute to the complexity of the wine while helping maintain its notable elegance and the expression of the terroir of San Felice.

Vintage Profile

2015 will be remembered as one of the warmest in recent years; to a mild winter and a spring with regular rainfall, succeeded a hot summer with rare precipitations. Good weather conditions allowed a good quantity and excellent quality production, with perfect phenolic maturation in all vineyards, guaranteeing wines suitable for long aging.

Tasting Notes and Pairings

Deep ruby red. The round bouquet releases fragrances that linger beautifully, with scents of sweet violets that meld into smooth, spicy hints of tobacco leaf. This is a full-bodied red, velvety smooth marked by ripe, succulent tannins harmoniously integrated with the acidity. Perfect with wild game, roasted and grilled meats, as well as aged cheeses.

Vineyard Location

San Felice Estate:
Chiesamonti – Pianaccio
I Colti parcels (Castelnuovo Berardenga, Siena)

Soil Profile

Medium-textured, predominantly calcareous marl breakdown of alberese and galestro strata, with abundant gravel-pebble mixture.

Training System

Guyot and spur-pruned cordon

Grapes

Sangiovese 80%; native grapes 20%: Abrusco, Pugnello, Malvasia Nera, Ciliegolo, Mazzese

Harvest

Last week of September, first week of October

Vinification & Maturation

Each grape variety was fermented separately in steel, followed by a 22-day maceration at 28-30°C. After malolactic fermentation, the wine was aged for 24 months, 50% in large 60-100-hectoliter Slavonian oak casks and 50% in 225- and 500-liter French oak

barriques. Bottle ageing for 8 months.
