

SAN FELICE

Poggio Rosso

Chianti Classico Gran Selezione DOCG 2018

As early as the late 1970s, in the Poggio Rosso area, a series of selected clones of Sangiovese were planted. Poggio Rosso is the fruit of a rigorous selection of this grape variety from some parcels of the same single vineyard, and today it represents the pinnacle of San Felice's terroir. A wine of immense depth and superb elegance, produced in limited quantity and exclusively in outstanding vintages.

Vintage Profile

2018 has began with an early sprouting due to high temperatures in March and April, followed by a fairly rainy May. Temperatures have started to rise again since June; summer temperatures in the norm with scattered rains. The month of September in particular saw a succession of sunny days but with a great thermal excursion between day and night, which allowed the grapes a proper phenolic and aromatic maturation.

Tasting Notes and Pairings

Intense ruby red. The nose releases scents of dried plum, blackberry, and raspberry. Velvety tannins and a judicious acidity on the palate. It is a wine of extraordinary longevity. Perfect with grills and barbecues, wild game, and aged pecorino cheese.

Vineyard Location

San Felice – selected parcels of Poggio Rosso vineyard (Castelnuovo Berardenga, Siena)

Soil Profile

Medium textured, predominantly calcareous marl breakdown of alberese and galestro strata, with abundant gravel-pebble mixture. Some extension into sil and sand-rich alluvial soils.

Training System

Spur-pruned cordon

Grapes

Sangiovese 100%

Harvest

26th of September

Vinification & Maturation

20–25 days fermentation on the skins at 28–30° C, followed by malolactic fermentation and 20 months' maturation in 500-litre French oak barrels, then 15 months' ageing in bottle.
