

SAN FELICE

Pugnitello

Toscana IGT 2020

Pugnitello is an ancient Tuscan native grape variety, whose name (little fist) refers to the shape of its cluster. Following its rediscovery, it has been researched, in collaboration with the universities of Florence and Pisa, in San Felice's experimental vineyard. The wine is the fruit of 20 years of study and experimentation focused on saving native Tuscan grapes from extinction. Pugnitello is noteworthy for its distinctive characteristics, smoothness, and full-bodied concentration.

Vintage Profile

A mild winter 2020 made a very early bud breaking end of March. Unfortunately the night of March 25th the temperatures dropped down below 0 and the Sangiovese was strongly affected with a dramatic reduction of the yield. The spring was nice with a good amount of rain and several sunny days. The summer was great, warm but without many heat waves. The fruit reached a perfect ripening soon.

Tasting Notes and Pairings

A dense purplish hue, with a remarkably rich nose, offering cinnamon, clove, wild fruit preserves, and tobacco leaf. Velvety-smooth, ultra-savory palate that magnificently reproduces the fragrances encountered on the nose. Perfect with meat-sauced first courses, roast guinea-fowl, and veal.

Vineyard Location

San Felice (Castelnuovo Berardenga, Siena)

Soil Profile

Medium-textured, predominantly calcareous marl breakdown of alberese and galestro limestones, with abundant gravel-pebble mixture.

Training System

Guyot

Grapes

Pugnitello 100%

Harvest

First week of October

Vinification and Maturation

20–25 day fermentation on the skins at 30° C, followed by malolactic fermentation and 18–20 months' maturation in 225-litre French oak barriques, then 8 months' ageing in the bottle.

Bottles Produced

6.000

Serving Temperature

18 °C

Alcohol

13,5% Vol

Cellaring

15–20 years

Total Acidity

5,6g/l

Residual Sugar

< 0,5 g/l

Size
